Application
Upholstery Seating

Content
70% Vinyl, 30% Polyester

Width
54 inches

Abrasion (Wyzenbeek)
Exceeds 100,000 Double Rubs

Finish
PBG+

Reduced Environmental Impact
GREENGUARD Certified

TECHNICAL INFORMATION

Content: 70% Vinyl, 30% Polyester

Width: 54"

Backing: 100% Polyester

Approx. Repeat: Random Match

Weight: 30 oz./linear yard

Finish: PBG+

Directional: Yes

Railroaded: No

PERFORMANCE

Surface Abrasion: Heavy Duty CFFA1-a/ASTM D-4157
(Wyzenbeek/Cotton Duck)

Colorfastness to Crocking CFFA 7/AATCC-8

Colorfastness to Light AATCC TM 16-3/CFFA-2 a1

Results

Exceeds 100,000 Double Rubs
Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.

Dry: Class 4 min / Wet: Class 4 min

1000 hours

FLAMMABILITY

California Technical Bulletin 117-2013

NFPA 260/UFAC Class 1

Boston Fire Dept. Code (BFD IX-1)

FAA/FAR 25.853(a) & Appendix F part I(a)(ii)

FMVSS 302

IMO FTP 2010 Code MSC.307(88) Part 8, 3.1 & 3.2

NY/NJ Port Authority

May comply with California Technical Bulletin 133 when combined with appropriate components.

REDUCED ENVIRONMENTAL IMPACT

This product is **GREENGUARD Certified for low chemical and particle emissions to UL standard UL 2818 and may contribute to LEED certification.** For complete information visit mayerfabrics.com and UL.com/gg.

CLEANING INFORMATION

BC: Bleach Cleanable – 1 part bleach, 9 parts water = 10% bleach, 90% water solution. Do not clean/disinfect fabric for longer than 10 minutes using the 10% bleach solution. Always rinse promptly with clean water after applying the bleach solution. Failure to do so will void any and all warranties.

Remove most stains with one of the following steps:

Step 1 (baby oil, ketchup, chocolate, motor oil, olive oil, tea, coffee): If cleaned immediately, use a clean dry cotton fabric. Wipe once, careful to remove most of the stain without spreading to surrounding area. Wipe more vigorously a second time if residue remains and proceed to step 2.

Step 2 (eye shadow, crayon, grease, permanent felt tip marker, mustard, lipstick, ball point pen): If residue remains use a straight application of Formula 409® or Fantastik® spray cleaner. Wipe with a clean cloth, rinse with clean water and dry. If residue remains, proceed to step 3.

Step 3 (eye shadow, crayon, grease, permanent felt tip marker, mustard, lipstick, ball point pen): More stubborn soiling may be eliminated using a cotton fabric soaked in 91% isopropyl (rubbing) alcohol. Wipe without spreading stain to surrounding area. A second application should be applied with vigorous rubbing in a circular motion. For highly textured material, a soft toothbrush is recommended to clean valleys and crevices. Wipe with a clean cloth, rinse with water and dry.

Please refer to the Mayer Fabrics website or contact customer service for approval of unlisted cleaning agents prior to use.

PBG+® acts as an invisible barrier against stains, allowing them to be cleaned off the surface with ease and virtually no harm to the vinyl.

*Please note, that PBG+® is not "stain proof" and indelible inks, particularly those containing certain dyes used in permanent felt tip markers, can leave a shadow if cleaning is delayed beyond 24 hours.

*Results are best when cleaned within the first 24 hours of staining.

This information is not a guarantee and does not relieve the user from the responsibility of the proper and safe use of the product and all cleaning agents. The use of certain agents can be harmful to the surface appearance and lifespan of vinyl. Mayer Fabrics, its agents and assigns assume no responsibility resulting from the use of such cleaning agents to the vinyl.

Certain clothing and accessory dyes (such as those used on denim jeans) may migrate to lighter colors. This phenomenon is increased by humidity and temperature and is irreversible.

Formula 409® is a registered trademark of the Clorox Company®. Fantastik® is a trademark of DowBrands, Inc.®. Trademark of the Dow Chemical Co.®

Please check compatibility when using this product in combination with painted or varnished surfaces.

ADDITIONAL INFORMATION

Custom Capabilities: All patterns can be custom colored. Minimum yardage applies.

Specifications: Specifications are correct at the time of printing. Current specifications are available on our website.

Digital Swatch Card Color Matching: Due to color variations on different monitors and color printers, actual swatch colors may vary slightly. Please request a memo sample from Mayer Fabrics to ensure proper color representation.

This fabric meets or exceeds these ACT performance guidelines.
