Description

Solid maple wood lounge armchair. Includes padded waterfall seat using high-density flame retardant foam. Upholstered inside and outside back with partial exposed wood frame. Piping at outside back perimeter and standard rounded nylon nail-in glides. Available in Pavar's standard stain color options (water based) and a 35° sheen top-coat lacquer.

NOTE: Pavar does not recommend the use of any fabric, vinyl or leather that includes stripes, plaids, geometrics and similar patterns ON THIS MODEL, due to the curvature and decreasing pitch radius of the frame. Selecting patterns with these features will incur a surcharge.

Options

Custom stain finish, lacquer sheen, custom upholstery, frame modifications, casters, Cal-133 compliancy & certification, nailhead model, nailhead placement and glide alternatives are all options available upon request where applicable.
