Description

Combination “Laminate & rubber edge” square table-top. Includes a 1/32″ or 1/16″ laminate-top inlay, glued onto a 1-1/8″ medium-density-fiberboard core. Includes a 1-1/8″ thick black rubber T-Mold edge, with center-groove jointery and contact-cement glue adhesion. T-Mold-edge is available in a Black (standard), Light Gray and White color. Includes a 1″ plywood undermount for wood or metal base attachment.
